These paintings and etchings, selected from the Queensland National Art Gallery, will be on exhibition at the Toowoomba Art Gallery for a period of three months. They will then visit Gympie, Maryborough, Bundaberg, Rockhampton, Mackay, Townsville, and Cairns.

This has been made possible by a generous grant from the Carnegie Corporation of New York to the Trustees of the National Art Gallery for the purpose of furthering art education in Queensland.

E. COLCLOUGH,
Hon. Secretary to the Trustees.
